

It is our pleasure to announce that the **14<sup>th</sup> TWINCORE Symposium** and the **13<sup>th</sup> International VPM Days**, celebrating VPM's **20<sup>th</sup> Anniversary**, will take place as a joint symposium

**“Lessons from the pandemic for future infection research”**

on

**Thursday and Friday, 15 and 16 September 2022** in Hannover, Germany.

TWINCORE and VPM together organize the joint symposium to provide an excellent opportunity for fruitful exchange of ideas and networking between various stakeholders. Whether you are a scientist, entrepreneur, or investor, this event is the place to be!

We are delighted to inform that the following keynote speakers will be presenting at the symposium:

- Prof. Mihai Netea, Radboud University Medical Center
- Prof. Dirk Busch, Technical University of Munich
- Prof. Stefan Kaufmann, Max Planck Institute of Infection Biology
- Dr. Umesh Shaligram, Serum Institute of India Pvt. Ltd.

Further information about registration and the complete program will be available soon. Until then,

**PLEASE SAVE THE DATE!**

We look forward to seeing you there!
